It is an exciting time to be a part of the Island University, and we are so fortunate to partner with you on these initiatives.

UNIVERSITY FINANCIAL HIGHLIGHTS 2017-2018

Dear Islanders, Supporters and Friends,

Serving as the current president of the Texas A&M-Corpus Christi Foundation is an honor of which I am truly proud. It is through the support of our founding members, past board members, donors and community members that we are able to make a tremendous impact on the lives of students attending our unique Island University. We are committed to our mission of promoting the growth, quality and effectiveness of the University, and I am pleased to report that the Foundation now manages \$45 million in its endowment. These funds have allowed the Foundation to make significant contributions to the development of the University through funding scholarships, chairs and professorships, scientific research and improvements to classroom technology. As we celebrate the achievement of R2 status for the University, your support is critical to the continued advancement of Texas A&M University-Corpus Christi while we work to expand our reach as a premiere research institution.

Under the leadership of Dr. Kelly Quintanilla, President and CEO of Texas A&M University-Corpus Christi, we continue to honor our commitment to ensuring every student's success, removing educational barriers and building a strong bridge between the Coastal Bend community and the University. We do this to support the unparalleled Islander Impact our students make in the world. Working alongside Dr. Quintanilla as the Foundation's president is exciting and rewarding, as we watch our graduates enter the workforce as teachers, innovators, engineers, nurses, artists and business leaders who make a broad and meaningful impact in our community and the world beyond.

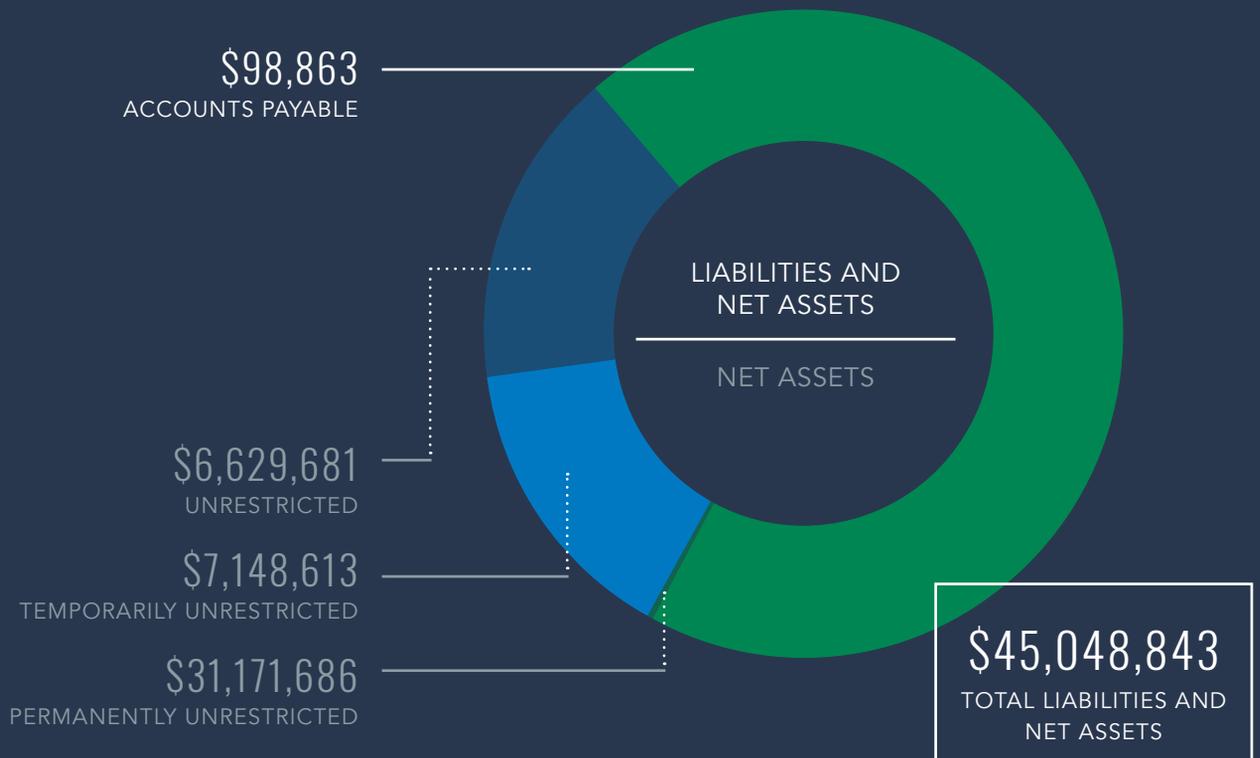

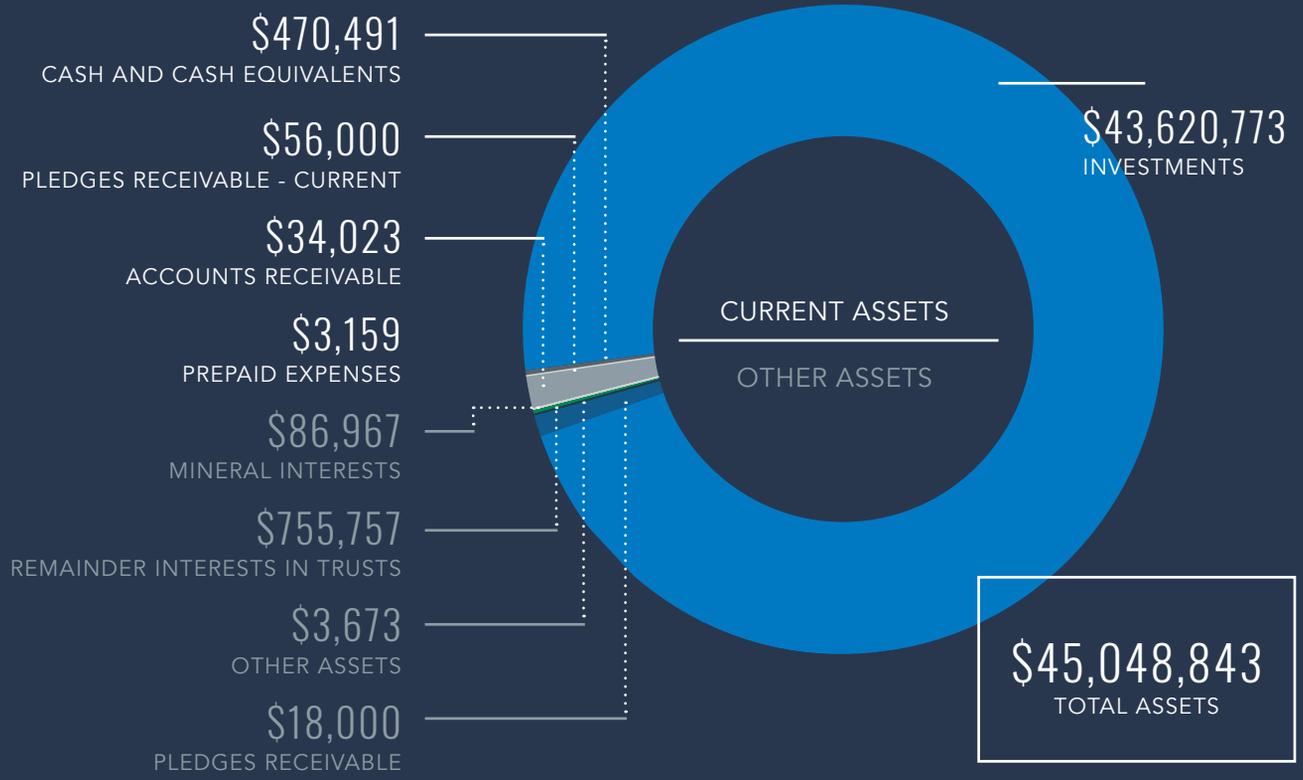

The Texas A&M-Corpus Christi Foundation sincerely thanks you for all you do for Texas A&M University-Corpus Christi, its students and the entire Islander Community.
